ITINERARY

DAY 1: Arrive in Quito

Welcome to Quito, Ecuador, a City declared a UNESCO World Cultural Heritage Site in 1978. You will be transferred from the airport to your hotel which sits nestled in the Andean foothills, 2,850 metres above sea level. The city is known for its stunning colonial architecture, artwork and amazing snow-capped mountain backdrop.

DAY 2: Quito Six Senses City Tour

Today you will enjoy a tour of the charming city of Quito. The tour will tick off all of the main sites, including Independence Square, the Government Palace, the busy street of La Ronda and some of the beautiful baroque churches that the city is famous for. You will also enjoy a range of experiences. These will vary depending on the day and the time of year, but can include things like market visits, empanada or ice cream making (and tasting), working with an artisan to make your own Panama hat or even helping to restore colonial art! Your tour will end with a cocktail at a rooftop bar where you will have the perfect view over the old town and Panecillo hill. (B)

DAY 3: Cotopaxi National Park Excursion

Today you will head south from Quito to visit Cotopaxi National Park. Cotopaxi is the highest active volcano in the world. Despite the altitude, the park is home to numerous birds and varied plant life. Weather permitting, there are spectacular views from the north face of the mountain. The surrounding scenery includes volcanoes like Pasochoa, Ruminahui and Sincholagua. You will also have the opportunity to visit a local indigenous market. (B, L)

DAY 5: San Cristobal

This morning, visit Punta Pitt, located at the eastern tip of San Cristobal Island. The site features a beautiful beach and natural viewpoints overlooking an eroded volcanic hill. Sea lions sunbathe here, while frigate birds, pelicans, and seagulls soar overhead. Punta Pitt is one of the few places where all three species of boobies (blue-footed, red-footed, and masked) and both species of frigate birds can be seen together. In the afternoon, head to Isla Lobos, named for the sea lions that frolic on its white-sand beaches. Isla Lobos is a popular diving and snorkeling spot, offering clear waters and a scenic trail. (B,L,D)
